*Terms and conditions apply. All offers are subject to available funding. Maximum OBRP 0% APR financing for eligible NJNG customers is \$25,000. All loans are net of NJNG rebates. The maximum rebate \$1,750 is available for the purchase of the highest efficiency models: a combi unit with a greater than or equal to 97% AFUE rating. NJNG reserves the right, with approval of the State of New Jersey Board of Public Utilities, to terminate, modify, suspend, or extend this rebate program. NJNG's HVAC program rebates and incentives do not apply to new construction or for the replacement of existing condensing pieces of equipment. Offer applies to qualifying equipment purchased by June 30, 2027. Rebate applications must be postmarked within 120 days of equipment purchase date. Customer must submit a paid receipt and proof of permit with NJNG application. Visit savegreen.com/hvac-and-water-heating for rebates and financing terms and conditions.
